

Case Thread AI

Open Source

Generative AI

Legal Document Generation

Built Specifically For IP Attorneys

Gaurang & Ryan M

We designed CaseThread AI to answer a simple question:

How can we harness the power of generative AI for IP attorneys?

Why?

IP Attorneys are drowning in paperwork.

IP Attorneys need intelligent document organization.

IP Attorneys need to be in complete control of their data.

What?

We help IP Attorneys acquire the most valuable of assets...

More Time!

Improved Work Product!

How?

CaseThread AI

- Saves IP Attorneys Dozens of Hours a Week on Document Generation
 - By Turbocharging Their Workflow with Context Aware AI Tools
- Intelligently Organizes Attorney Document Storage
- Client Data Never Leaves The Office

Demo by Gaurang:
